

# Phillips Lake North Shore Trail

## Wallowa-Whitman National Forest

*The north shoreline trail along Phillips Reservoir offers scenic views of the reservoir and the Black Mountain area as it winds through the lakeside ponderosa forest.*

**Total Miles:** 6.5 miles to the upper end of the reservoir. Hikers may stop and exit at the Union Creek Campground (1.5 mi) or Social Security Point Trailhead (4.0 mi) of the FS 300 road.

**Difficulty level:** Easy - More difficult

**Accessibility:** The trail is narrow in some spots and not accessible for disabled users.

**Facilities and Attractions:** This trail can be used for hiking or Nordic skiing depending on snow levels and access down to the trailhead by the boat launch. Restrooms at the boat launch are open in the summer months. No parking fee is required however if your exit Union Creek Campground a day sue fee may be required.

**Directions:** From Baker City, travel south on Highway 7 for *about* 16 miles to Forest Service 200 road which goes to the Mason Dam boatlaunch. Turn left and park in the boat launch parking area. The beginning of the trail is signed and is located on the hillside near the restroom building.
